PROFILE

Business Development Executive with experience in franchise expansion, stakeholder engagement, and vocational training outreach within the education sector. Skilled in lead generation, CRM management, market analysis, and relationship building to support organizational growth initiatives. Experienced in onboarding franchise partners, helping if required in Corporate Social Responsibility (CSR) projects, conducting job drives for CSR students, coordinating with cross-functional teams, and driving community engagement programs. Strong communication and presentation abilities with a focus on achieving sustainable business development outcomes.

SKILLS

Strategic Market Expansion	Lead Generation & Conversion
Key Account & Stakeholder Management	CRM & Business Intelligence (Salesforce)
Franchise Onboarding & Development	CSR & Community Outreach
High-Impact Negotiation & Persuasion	Competitor Analysis & Growth Mapping

EMPLOYMENT HISTORY

Associate — Business Development Executive, AISECT Limited

Responsibilities:

- Researched and identified potential franchise and institutional partners for educational and vocational training programs.
- Conducted outreach activities to expand organizational presence across regional markets.
- Built strong relationships with local leaders, schools, and community stakeholders.
- Guided franchise partners through onboarding, presentations, and agreement finalization processes.
- Performed market research and competitor analysis to identify high-potential business locations.
- Coordinated with marketing and operations teams to ensure smooth partner onboarding and support.
- Maintained CRM records and tracked business development activities through regular reporting.
- Communicated program value propositions and benefits to prospective partners and stakeholders.
- Supported the successful launch and operational readiness of regional training centers.
- Assisted in strengthening franchise engagement through continuous follow-ups and relationship management.

Impact:

- Contributed to franchise network expansion through consistent lead generation and outreach initiatives.
- Supported regional business development activities across multiple target markets.
- Improved reporting accuracy and business tracking through effective CRM management.
- Strengthened stakeholder relationships to support smooth program implementation and community acceptance.
- Assisted in identifying new growth opportunities through market and competitor analysis.
